VOIDWALKER

Thousands of years ago, a select few from Heaven, Hell and Earth met in the Void and secretly joined forces to conquer the Devourer, a being that threatened all of existence. They successfully vanquished their foe and formed the Voidwalkers, an agency that exists to uphold the balance of good and evil.

Today, Martin Walchak's bland life is rudely interrupted when Chase, his late best friend, returns from the dead, as a Voidwalker. Chase insists that all of existence is once again in danger and that Martin holds the key to both its salvation and its destruction!

In a flurry of action-packed events, Chase drags Martin along with him, sending them both flying through high speed chases, ducking and dodging past vicious demons, and even diving into the heart of the Void.

Everything becomes a race against time to stop rogue demons from turning the greatest destructive power the realms have known into the ultimate weapon of mass destruction!
